E2S... EDUCATION, SELF-ESTEEM, SUCCESS

ENOUGH SAID

COMMUNITY BLESSED...

BACK TO SCHOOL ADJUSTMENTS NEEDED

It is “MAGNIFICENT” (as the late Allen London always said) that the students, parents, administrators, teachers custodial staff and we all have been given another day, another month, another year to do more good—to grow and learn. May the Almighty reward us all.

SOUK MA’UN MARKETPLACE A PLEASSED & PLEASING EVENT

“Those who submit themselves entirely to God and are the doers of good to others —they have their rewards from the Lord, there is no fear for them nor shall they grieve,”
To our vendors; E2S volunteers; Idris and Maryan Bayan; E2S Committee for planning and implementing such an awesome event; Sister Zahporrah; Stephanie Wms.; our special entertainers— saxophonist and African dancers; DJ Zeke,
THANK YOU AND BE BLESSED!

We were fortunate to have Imam Furqan bless us with dua and gave this message in a nutshell...
DON’T GET DISCOURAGED; KEEP THE FAITH; HAVE GOOD INTENTIONS—(if it was marketed, those came who was suppose to come). Selling and buying (bartering) has been in existence for centuries. It started in the East and it was and is our way of also propagating our religion—being trustworthy and respected.

WHOLEHEARTEDLY (VIBE OF THE MONTH)

Commit to the task at hand “wholeheartedly.” Give complete sincerity and enthusiasm in what is to be done and be blessed abundantly with God’s mercy.

Obey the Almighty “wholeheartedly” and He will not discount anything from “the reward of your deeds.
