### **A SAFE SPACE FOR TEENS**

A dream needed to come into fruition—can you see it? A place where teens will have the space to communicate with other teenagers, to learn skills they choose, to play basketball and other table games, to have fun.

An adult advisory board and a youth advisory board is the next step. Please let me know if you are interested. You should expect a call soon. Come along...except this responsibility with me.

### **INEVITABLE**

**(VIBE OF THE MONTH)**

“Everything must change”—it’s inevitable. What the Almighty God has decreed must come to pass. We live and we must return to our Lord—it is inevitable. We have been given all that is needed by asking and working for it; but we can only take our good deeds to our next home. Let us prepare for His will with humility and gratitude.
